# PESTOLA 2025

## OVERALL CONFERENCE OBJECTIVES

1. Explain to your patients the latest clinical treatment options in endocrine health.
2. Discuss the latest scientific and clinical discoveries in endocrinology, diabetes, and metabolism.
3. Describe the multidisciplinary approach to treatment and management of pediatric endocrine disorders.
4. Assess the potential applications of emerging scientific advances that affect the practice of endocrinology.
5. Apply newfound knowledge to diagnosing and managing patients with disorders of endocrinology, diabetes, or metabolism for improved patient outcomes.

## ACCREDITATION STATEMENTS

**JOINTLY ACCREDITED PROVIDER™**  
**INTERPROFESSIONAL CONTINUING EDUCATION**

In support of improving patient care, this activity has been planned and implemented by Cook Children's Health Care System and the Pediatric Endocrine Society of Texas, Oklahoma, Louisiana and Arkansas (PESTOLA). Cook Children's Health Care System is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

**Physician:** Cook Children's Health Care System designates this live activity for a maximum of 11.5 *AMA PRA Category 1 Credit(s)™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity. Participants must receive a grade of 100% on the post-test, and complete the on-line evaluation to receive credit.

**Nurse:** Cook Children's Health Care System designates this live activity for a maximum of 11.5 nursing contact hour(s). You must sign in, attend each session in its entirety and complete the evaluation tool.

**Enduring:** A recording of this live activity has been approved for 15.5 hours of *AMA PRA Category 1 Credit™* and nursing credit. The number of hours may change for enduring credit based upon the actual time of the recording.
